General Promotion Terms & Conditions

Promotions are exclusively for direct registered clients of Yadix only and not for the use of Employees, Introducing Agents or any other third party affiliated with Yadix. All promotions are subject to change at any time. The Yadix management reserves the right to remove or restrict any or all of these promotions without prior notice or consent. Each promotion is subject to specific terms and conditions.

Participation

It remains the responsibility of the client to satisfy themselves with the specific terms and conditions or limitations of each promotion before choosing to participate. By choosing to participate in these promotions listed herein, the participating client agrees to all of the terms and conditions listed without exception.

Authorisation

By taking part in any of the promotions listed herein, the client is giving unreserved permission to feature/publish their name, location and any promotional information on any website/webpage or marketing campaigns owned or operated by Yadix. The client also agrees to receive other promotional messages to the registered email address in writing or verbally via telephone to the registered telephone numbers.

Negative Balance

In the result of the trading account reaching a negative balance, Yadix reserves all rights to utilise any forthcoming bonuses/rebates to any clients account to offset the negative balance. The client agrees and concedes the right to claim any additional bonuses until the negative balance is offset.

Trading Requirements

In all cases, for all promotions, the full trading requirement must be completed in order to claim the reward for the promotion. Only where specified within the terms and conditions

of particular promotions can clients claim part of the promotion in question, please refer to the promotions below for more details.

Lot Definition for all Promotions

1 lot is equal 100,000 units of any currency pair opened and closed (buy and sell) – calculations are made only on positions that have been closed and based on the closed time and date. Clients are advised to check the qualifying symbols specific to each promotion prior to participation. In all cases, zero profit positions will not be included in any calculation.

Multiple Promotion Claims:

All promotions listed herein cannot be claimed in conjunction with any other promotions simultaneously. Each promotion is available to use independently. Clients are welcomed to operate multiple accounts to benefit from multiple promotions, each account will be viewed as an individual account and trades submitted on said account will qualify only. Volumes traded on one specific forex trading account cannot be transferred to other accounts.

Time Scales:

Each promotion has specific rules, time scales and limits according to the promotion type and rewards available to be claimed. Please refer to each individual promotion for more information and promotions specific rules or limitations that refer to the time restrictions involved.

Limitations:

The withdrawal of funds is specific to individual promotions. It is important that the participating client is fully aware of any restrictions or requirements before choosing to participate. There will be no exceptions to the rules listed herein under any circumstances.

Trading bonuses are intended for manual trading only, and are not available for use with expert advisors. Moreover, if there is any suspicion or indication of forex arbitrage trading, fraud, bonus abuse or any other form of bonus manipulation (such as risk free profiting), the company at its absolute discretion reserves the right to remove all bonuses from all trading accounts connected to the client, disqualify the client from all future bonuses and/or close or suspend all orders and any profits gained. The company also reserves the right to temporarily/permanently close all associated accounts. The company shall not be liable for any ramification endured due to bonus cancellation.

Clients residing in Pakistan, Bangladesh, and Cambodia are not eligible to participate in promotional bonus offers

Termination:

Should there be any suspicion of abuse or attempts to abuse a promotion, the company at its absolute discretion reserves the right to withhold, remove or deny any promotional offers due, previously credited and terminate all associated accounts temporarily or permanently, of any users suspected, or proven of abuse. The company shall not be liable for any ramification endured due terminations.
