In observance of the holidays, our offices will be closed Monday, December 25 and Monday, January 1 with email support available on Tuesday, December 26, 2017 and Tuesday, January 2, 2018, therefore please allow for additional response time to any queries.

Important Note: During the Holiday period the market has lower liquidity and clients may experience higher than normal spreads. In the event an underlying market closes or the liquidity available is deemed inadequate, the market for the affected instrument may close without warning.

Once again, we would like to wish you happy holidays and a prosperous 2018 and to thank you for your continued custom.
