# Our Referral Programs

## 1. Easy Referrer: Earn Rebate Commissions

The Easy Referrer Program provides a simple and transparent way to earn through default rebate commissions based on your clients' trading volumes.

This program is ideal for referrers seeking a straightforward, no-hassle earning structure — just refer, trade, and earn consistent rebates automatically.

### Rebate Commission per Lot Traded:

- **Bonus Account:** 0.7 pips (\$7 per lot based on 1 lot EURUSD traded)
- **Classic Account:** 0.5 Pips (\$5 per lot based on 1 lot EURUSD traded)
- **Scalper Account:** 0.2 Pips (\$2 per lot based on 1 lot EURUSD traded)
- **Pro Account:** 0.1 Pips (\$1 per lot based on 1 lot EURUSD traded)

## 2. Master Referrer: Control Your Network

The **Master Referrer Program** is designed for **experienced IBs** with active client bases and networks of Sub-IBs who want to **scale their business** and **unlock elite rewards**.

This program provides access to **Meta Manager** and a full suite of **professional reporting and management tools**. Enjoy **customized account setups** where you can manage your mark-ups, control profitability, and leverage **exclusive promotions** that boost conversions and revenue growth.

Qualifying partners receive a **higher revenue share** and can select from **multiple earning models** tailored to their business goals and risk appetite. The Master Referrer option is ideal for those seeking **greater control, higher commissions, and a more strategic approach** to growing their referral network.

### Benefits for Approved Partners

- Higher Revenue Share Commission

- Full access to **Meta Manager**
- Ability to add **mark-ups** for extra profit
- **Dedicated promotions** to drive conversions
- **Custom landing pages** (translated if needed)

### 3. xLocal Partner

We offer a **unique and bespoke partnership program** designed specifically for high-performing regional IBs and affiliates. The **XLocal Partner Program** provides the tools, technology, and support needed to elevate your business and maximise your earnings.

With **state-of-the-art trading technologies, top-tier liquidity, award-winning platforms, and comprehensive management systems**, your XLocal IB relationship empowers you to take your introducing business to the next level.

As a **regional partner**, you'll gain access to an **exclusive localised mini-broker** setup — giving you full control to:

- Define your profitability through your preferred **profit mark-up**
- Create **customized promotions** for your market
- Build your **brand identity**, strengthen your **local community**, and accelerate your **revenue growth**

## 7. Broker Solutions

We provide **comprehensive, turnkey solutions** for establishing and operating a **successful Forex brokerage**, empowering you to **build your own Forex empire** with confidence and efficiency. Our solutions are designed for both new and established partners who want to leverage advanced technology, institutional-grade infrastructure, and professional support to accelerate growth. From streamlined onboarding and regulatory coverage to operational guidance and marketing resources, we make launching and scaling your brokerage faster, simpler, and more profitable.

By partnering with us, you can gain access to our **shared license infrastructure, award-winning trading platforms**, and a full suite of **web-based management and reporting systems**. These tools allow you to focus on what truly matters — growing your brand, acquiring clients, and maximising revenue — while we handle the complex technical, legal, and operational aspects behind the scenes. Together, we create a seamless ecosystem that combines reliability, transparency, and performance, giving you the foundation to dominate your market and achieve long-term success.

## 8. Revenue Share Program: Maximize Your Profit Potential

Our attractive Revenue Share program is designed for referrers seeking a high percentage profit-sharing partnership. This option provides a choice of business models to boost client acquisition, retention, and overall profitability. It also

includes a range of management tools and services, supporting your activities with full transparency under an IB agnostic model for efficient business management.

## 9. Liquidity Solutions: Empowering Institutional Trading

We offer cutting-edge liquidity solutions for institutional traders, brokers, and high-frequency trading strategies. By leveraging deep liquidity pools from top-tier banks, ECNs, and non-bank financial institutions, our partners benefit from ultra-tight spreads, lightning-fast execution, and minimal slippage, ensuring superior trading conditions.

Our liquidity solutions support hedge funds, proprietary trading firms, and professional traders with direct market access (DMA), FIX API connectivity, and aggregated liquidity streams. We prioritise transparency and reliability, empowering our partners to optimise trading performance with competitive pricing and seamless execution, even in volatile markets.
