

**Strategy**

“Highly conservative trading approach targeting primarily ultra-low down and secondary consistent profits.”

The strategy is implemented by a professional trader with more than 30 years financial markets experience to focus on ultra-low drawdown and low risk trading. Only three symbols are traded to ensure that the traders experience is fully supported and profits can be achieved with the balanced and conservative approach.

Risk Management

With the use of proprietary indicators to monitor the markets, the unrivalled knowledge of the markets and experience ensures the strategy can take advantage of trading only three symbols and deliver low risk trading and sustainable profits. This strategy trades when there is opportunity and therefore client's should exercise patience for best results.
