4. Important Information

4.1. *Commissions*

Commissions apply for Oil and Gas Trading on ECN Accounts:

Commissions for Oil Trading on the Scalper account is \$/€14 per round lot traded and on the Pro Accounts \$/€12 per round lot traded. The Classic account has no commissions.

Gas Trading Scalper and Pro Accounts \$/€1.50 per round lot traded. The Classic account has no commissions.

4.2. *Oil & Gas Leverage & Margin*

Leverage for trading is up to 1:500. To effectively display the movement of profit/loss on Indices, the Company has established a minimum/incremental trade size as detailed above. Margin required is calculated in the Currency the Instrument is denominated in.

4.3. *Trading Hours*

The products do not have expiration dates, Yadix offers 24-hour trading on oil symbols. Oil trading follows CME holiday closures.

4.4. *Oil & Gas Metals Contract Sizes*

Trading of Oil and Gas is executed in lots.

1 lot traded of Oil = 100 Barrels

1 lot traded of Gas = 100,000 MMBtu

4.5. *Oil- Calculating Margin*

To calculate the margin required to place the minimum trade size, simply multiply the minimum trade size by the margin required (per contract). Margin required is calculated in the Currency the Instrument is denominated in.

1 lot of crude oil is equal to 100 barrels. The minimum margin requirement for oil is \$200. One contract (lot) x minimum margin requirement \$200 = US\$200.
